## DRAIN OPENERS

### BROSHOT

#### Liquid Drain Opener with Odour Control

- For toilets, sinks, water fountains, and all drains less than 4" in diameter
- Dissolves all organic matter including cigarette butts, tampons, grease, toilet paper, rags, hair and coffee grounds
- Fast acting, heavier-than-water liquid generates a spontaneous and powerful exothermic reaction which dissolves obstructions in minutes
- Suppresses odours while working

Available size: □ 450 ml bottle

### POWDERFLO

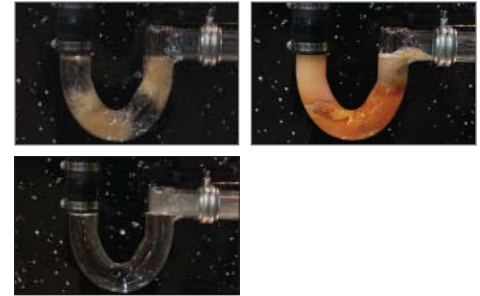

#### Powdered Fumeless, Alkaline Instant Drain Opener

Powerful instant powdered drain opener for drains less than four inches in diameter. Liquifies grease fat, oil, hair and soap scum residues.

- Works instantly
- Eliminates costly outside contractors and snaking of drains
- Safe to use and will not harm pipes and fixtures
- Restores and maintains free-flowing drains and drain lines
- For use on bathtubs, showers, sinks, slop sinks, kitchen drains, floor drains and any other blocked or slow running drain

Available size: □ 1 kg bottle

#### HOW IT WORKS

### POWERFLO

#### Non-Chemical Instant Drain Opener for all Diameter Drains

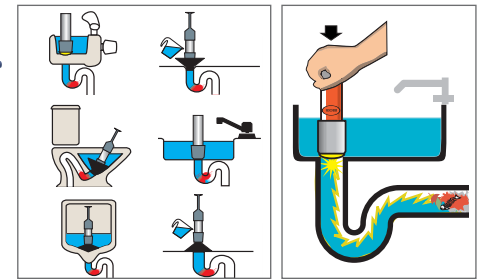

- No air pressure
- For blocked or slow running drains
- No acids or dangerous chemicals
- Dislodges blockages up to a maximum of 50' down a 1.5" drain line and to a minimum of 12' down a 6" diameter drain
- Secret formula creates a shock wave which leads to instant drain opening
- Will not travel up air vents
- The adapter kit enables versatility, so it can be used on all drain types
- For toilets, shower floor drains, sinks and bathtubs
- Easy to use

Available size: □ 7 oz. aerosol can

Adapter kit

#### HOW IT WORKS

## DRAIN MAINTAINERS

### CRETE

#### Heavy Duty Urinal Descaler

- Dissolves uric acid and calcium scale deposits which are the cause of foul odours and slow running urinals
- Will not harm copper, steel, PVC or ABS drain pipes
- Restores urinal drain pipes to original diameter
- Save \$\$\$ by reducing time and manual labor involved with snaking or ripping urinal off the wall to remove scale deposits
- No noxious fumes released while it works
- For best results allow to sit for several hours, preferable overnight

Available sizes:  
□ 16 oz. bottle □ 4 liters jug □ 25 liters pail

Urinals

## DRAIN DEODORIZERS

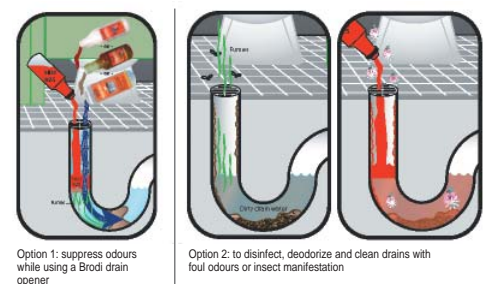

### HDJ 925

#### Drain Disinfectant, Deodorizer, Odour Suppressant & Cleaner

- Eliminates buildup in drains by dissolving grease, grime, slime and sludge which are the causes of foul odours
- Concentrated quaternary blend of biodegradable detergents, germicides and deodorizing agents designed for the control of odours
- Dual use: Minimize fumes during the use of Brodi drain openers and disinfect, deodorize and clean drains with foul odours or insect manifestation
- For garbage area floor drains, compactors, disposal containers and chutes, washroom floor drains, sump pits and sewage plants
- Keeps flies away and eliminates breeding areas of insects, maggots and rodents

Available sizes:  
□ 16 oz. bottle □ 32 oz. bottle □ 25 liters pail

#### HOW IT WORKS

Option 1: suppress odours while using a Brodi drain opener

Option 2: to disinfect, deodorize and clean drains with foul odours or insect manifestation

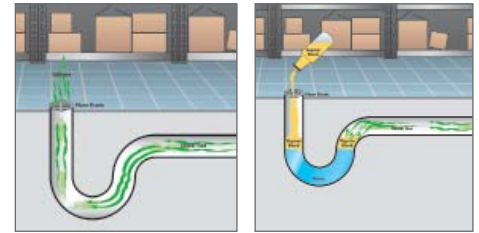

**VAPOUR BLOCK**   
**Citrus-Based Dry Drain Maintainer for Drains Without a Trap Seal Primer**

- Prevents sewer gas odours from emanating from drains in areas that may not have a trap seal primer or in areas where drains have a high evaporation rate
- Natural citrus formula
- Slow evaporation rate
- Creates a seal in the P trap of the drain preventing the water from evaporating

Available sizes:  
 32 oz. bottle    4 liters jug

HOW IT WORKS

**AUTOMATED SUMP PIT TREATMENTS**

**FOUL ODOURS & BACKUPS in your SUMP PITS? THE BRODI FULL SERVICE SOLUTION!**

**The full services include\*:**

- Installation
- Lifetime warranty on pump parts and labour
- Regular scheduled service visits by our dedicated service technician (NOT A SALESPERSON.) This includes opening of the sump pit and conducting a visual inspection of the conditions of the pit as well as monitoring the dosage and functionality of the Injection System
- Report on the inspection of the inside of the sump pit (upon customer request)

NOTE: \*These services are available free of charge with purchase of any of our ATC Injection Systems as well for continued purchasing of our product in the Toronto GTA and surrounding area only. Outside of this area charges may be applicable. Any food/foreign matter (any non grease substance) is the full responsibility of the customer and Brodi cannot be held liable for any sump pits that are problematic as a result of this foreign matter entering the sump pit or plumbing system.

**1 PURGE** This is a one-time process to clean up the system before commencing the ATC Injection System. Volume is dependant upon accumulation of grease buildup and odour level. This is done with a visual inspection by your Brodi service technician or Brodi sales consultant.

**BROFLOAT**

**Floating Citrus-Based Degreaser & Deodorizer**

- Minimizes foul odours and pumps out
- Liquifies grease balls and matte buildup on surface and walls of sump pits
- Continuous deodorization by suppressing sulphide formations and neutralizing odours by 'blanketing' the surface of the sewage area
- Keeps float free of sludge preventing sump backups and overflows

Available sizes:  
 4 liters jug    25 liters pail    205 liters drum

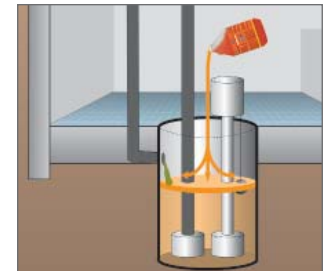

**MARZO**

**Heavy Duty Solvent Based Sump Pit Treatment**

- Powerful solvents rapidly emulsify grease and sludge accumulations
- Non corrosive, safe to use on all drain pipes
- Heavy duty deodorant instantaneously eliminates foul odours
- Minimizes sump pit pump outs

Available sizes:  
 4 liters jug    25 liters pail

HOW IT WORKS

**2 ON-GOING MAINTENANCE**

**BROFLOAT**

**MARZO**

**BLUEZYME**

**GREENZYME**

**BROZYME**

**VALUEZYME**

**Solvent Based Treatments**

These stable solvents quickly emulsify grease balls, matte buildup and sludge accumulations on the surface and walls of sump pits and are extremely resistant to any detergents and bleaches.

85 billion bacteria spores per litre

79 billion bacteria spores per litre

54 billion bacteria spores per litre

30 billion bacteria spores per litre

**Bacterial Liquid Enzyme Treatments**

These bacterial treatments each contain enzyme-producing bacteria and are primarily used for everyday drain line and grease trap maintenance solutions. These are dispensed into drain lines using ATC Injection System.

Non-toxic, biodegradable, non-pathogenic, non-acid, non-alkaline, neutral pH, certified salmonella-free.

Available size:  25 liters pail

HOW IT WORKS

## AUTOMATED GREASE TRAP TREATMENTS

### AROUND THE CLOCK (ATC) INJECTION SYSTEM

**The ATC Injection System is a time-activated, water-resistant peristaltic pump for dosing chemicals in industrial applications.**

- Up to 24 events can be programmed on a digital 7-day clock
- Each event has a unique run time from 1 second to 20 minutes
- Programming is done from the front of the unit using the 5-key keypad and display screen

### FOUL ODOURS & BACKUPS from your GREASE TRAPS? THE BRODI FULL SERVICE SOLUTION!

#### The full services include\*:

- Installation
- Lifetime warranty on pump parts and labour
- Regular scheduled service visits by our dedicated service technician (NOT A SALESPERSON.) This includes opening of the grease trap and conducting a visual inspection of the conditions of the trap as well as monitoring the dosage and functionality of the Injection System
- Report on the inspection of the inside of the sump pit (upon customer request)

NOTE: \*These services are available free of charge with purchase of any of our ATC Injection Systems as well for continued purchasing of our product in the Toronto GTA and surrounding area only. Outside of this area charges may be applicable. Any food/foreign matter (any non grease substance) is the full responsibility of the customer and Brodi cannot be held liable for any grease traps that are problematic as a result of this foreign matter entering the grease trap or plumbing system.

- 1 PURGE** This is a one-time process to clean up the system before commencing the ATC Injection System. Volume is dependant upon accumulation of grease buildup and odour level. This is done with a visual inspection by your Brodi service technician or Brodi sales consultant.

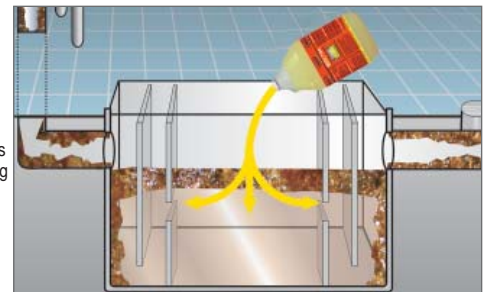

### CGTC 7150 <sup>CFIA</sup> Citrus Based Solvent Emulsifier

CGTC is designed to be used in systems that have been neglected and have an accumulation of fats, oils and greases (F.O.Gs). This can be a one-time or an ongoing application and should be applied just prior to the startup of an ongoing preventative ATC Injection System program.

- Powerful solvent emulsifies grease accumulations
- Non corrosive, safe to use on all drains
- Citrus scent makes it pleasant to work with in a busy kitchen area

**Available sizes:**  
 4 liters jug    25 liters pail    205 liters drum

#### HOW IT WORKS

CGTC is poured into the grease trap. Then run hot water to flush out the emulsified grease

## 2 ON-GOING MAINTENANCE

### CGTC 7150 <sup>CFIA</sup>

#### Solvent Based Treatment

- A stable citrus solvent which immediately emulsifies grease buildup in grease traps
- Extremely resistant to detergents and bleaches
- An excellent alternative when bacterial liquid enzyme treatments are ineffective due to unstable, abused grease traps (i.e. bleaches, detergents and food particles)

### BLUEZYME <sup>CFIA</sup>

**85 billion bacteria spores per liter**

### GREENZYME <sup>CFIA</sup>

**79 billion bacteria spores per liter**

### BROZYME <sup>CFIA</sup>

**54 billion bacteria spores per liter**

### VALUEZYME <sup>CFIA</sup>

**30 billion bacteria spores per liter**

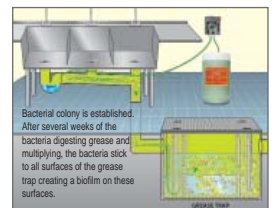

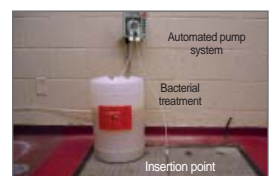

#### Bacterial Liquid Enzyme Treatments

These bacterial treatments each contain enzyme-producing bacteria and are primarily used for everyday drain line and grease trap maintenance solutions. These are dispensed into drain lines using ATC Injection System.

Non-toxic, biodegradable, non-pathogenic, non-acid, non-alkaline, neutral pH, certified salmonella-free.

**Available size:**  25 liters pail

#### HOW IT WORKS

**REDUCE LABOUR COSTS & SAVE \$\$\$**  
**MINIMIZE PUMP-OUTS! • NO MANUAL CLEANING! • NO ODOURS! • NO BACKUPS! • NO SNAKING!**

# HVAC

## A/C GEL PUCKS

### Condensate Pan Cleaning Tablets

A unique condensate pan and drain line treatment in which moisture either drips or flows over the tablet, forming a gel, locking the tablet into place preventing it from moving or blocking the drain line while a slow release formula provides long lasting around the clock cleaning action. This helps prevent clogged condensation drains and water overflow damage to carpets, walls and ceilings.

- Prevents, slime, sludge, fungus and mould
- Saves \$\$\$ from potential water damage from blockages
  - Safe, fast acting and easy to use
  - Locks into place preventing movement
- Saves labor – one season application – lasts up to 6 months
- One puck per 5 tons of cooling
- For use on all types of comfort cooling air conditioners as well as commercial refrigeration units in hospitals, hotels motels, office buildings, schools, nursing homes, condominiums and industrial facilities

Available size: □ 1 oz. tablet

#### HOW IT WORKS

## COILEAN – AEROSOL

### Non-Rinse, Non-Acid, Foaming Coil Cleaner for Smaller Window Units

A portable, non-acid, powerful, non-rinse thick, clinging foam cleaner that blasts deep into air conditioner, heater, refrigeration and dryer coils to loosen dirt, lint, grease and grime.

- Normal condensation on coil fins rinses away restrictive build-up and grime
- Increases efficiency and reduces consumption
- Water-based foam creates no harsh vapors, deodorizes as it cleans and leaves a fresh natural scent
- Bio-enzymatic action attacks mold and fungus
- May be flushed off with water or left on fins without rinsing
- For use on air conditioners, heaters, ice machines, cold storage compartments, refrigerators, freezers, heating coils, hand dryers and refrigerated trucks

Available size: □ 18 oz. aerosol can

#### HOW IT WORKS

## COILEAN - BULK

### Non-Rinse, Non-Acid, Water-Based, Coil Cleaner for Larger Roof-Top Units

A safe, non-acid, powerful, water based, highly dilutable coil cleaner for larger roof top units which safely and quickly removes dirt, grease and grime from HVAC units.

Available sizes:

- 4 liters jug
- 25 liters pail
- 205 liters drum

Before and after

## MICROFLO

### Condensate & Small Drain Opener

- No air pressure
- For blocked or slow running drains
- For 3/8" to 7/8" drains
- Portable and easy to use
- For use on condensate pans, ice machines, bar sinks, etc.
- No CFCs, acids or caustics
- Safe to use

Available size: □ 7 oz. aerosol can

#### HOW IT WORKS

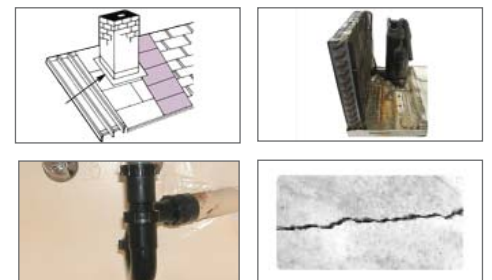

## FIX A LEAK

### Instant Leak Sealer

- Can be applied to any surface to provide a waterproof, flexible, permanent rubber coating that will stop leaks and act as a barrier against moisture, which is the cause of rust and corrosion
- Ultra durable rubberized coating
- Fast drying
- Will not crack or peel
- For use on HVAC condensate pans, PVC drains, gutters, ducting, roofs, flashing, sheds and cement cracks

Available size: □ 16 oz. aerosol can

## ELECTRICAL / MECHANICAL

5 IN 1

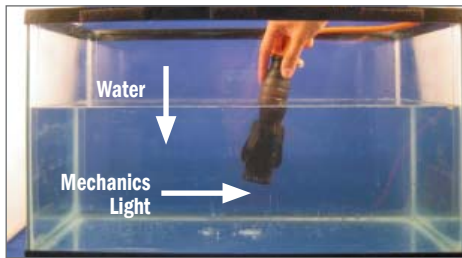

### Demoisurant, Penetrant, Lubricant, Rust Inhibitor & Protectant

An all purpose, non-flammable, non-conductive mechanical and electrical spray. Displaces moisture in wet electrical systems. Penetrates through rust and corrosion to loosen frozen nuts and bolts. Leaves treated surfaces protected with a residual anti-corrosive film.

- Demoisurizes and creates a waterproof film to inhibit corrosion and electrical discharge
- Protect parts against atmospheric and chemical corrosion by creating a non-drying film
- 38,000 volt dielectric strength allows it to be sprayed on live equipment
- Eliminates MOISTURE – the cause of equipment failure saving production downtime and costs
- Non-flammable and non-chlorinated
- Provides long lasting lubrication reducing friction and will not become dry or brittle
- Safe on plastic, rubber and paint
- Protects without attracting dust
- Meets military specification C-23411
- For use on motors, frozen nuts and bolts, hinges, screws, clamps, linkages, fasteners, moulds, threaded parts, tools, engine parts, bearings, gears, relays, starters and generators

Available sizes:  
 20 oz. aerosol can     18.9 liters pail

### DEMO

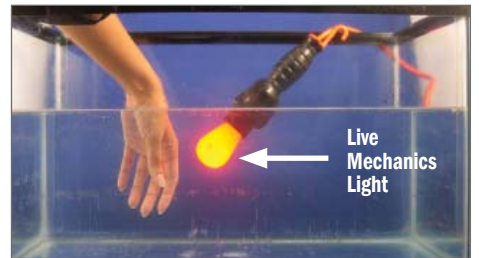

Mechanics light is submerged in water

5 in 1 is sprayed into socket to displace MOISTURE

Displaces moisture! • Protects against shock! • Never dries!

## SPECIALTY REPAIR

PIPEWRAP

### Anti-Sweat Cold Pipe Insulating Coating

An anti-sweat insulating coating that stops and prevents condensation build-up and dripping from cold surfaces.

- Dries to a clean, flexible, white insulating coating
- Adheres to stainless steel, black iron, galvanized, brass and PVC pipes
- Excellent for repairing wrap around, sleeve or foam type insulation
- Durable, paintable and water resistant
- Non-flammable when dry
- For use on cold water pipes, refrigeration lines, condensers lines, cold air ducts, valves and pipe fittings, water tanks, metal gutters and ice machine coils
- Stops damage caused by dripping water

Available size:  15 oz. aerosol can

HOW IT WORKS

Copper pipe insulated with Pipewrap

RENEW

### Acoustical Ceiling Tile Restorer

A durable white coating that covers unsightly ceiling tile stains caused by water damage, smoke and soil discoloration and eliminates the need for costly ceiling tile replacement

- Excellent for acoustical ceiling tile and stucco
- Covers stains and discolorations
- Does not change the fire rating or acoustical properties of the ceiling tile
- Coating is nonflammable when dry
- No chlorinated solvents

Available size:  15 oz. aerosol can

HOW IT WORKS

Stained ceiling tile

REPATCH

### Stucco, Plaster & Popcorn Ceiling Patch

A fast drying white, rough surface coating specially designed to fill and repair cracks, voids, dings, scrapes, runs, holes and gouges in popcorn and sprayed-on plaster ceilings.

- Dries fast to a clean, white rough surface
- Can be painted after drying
- Ideal for blending tubes or pipes on popcorn ceilings connected to ceiling fans, or any electrical or plumbing devices
- Great for repairing drywall around piping or holes

Available size:  15 oz. aerosol can

HOW IT WORKS

Repairing stucco ceiling

## PUFFUP

### Expandable Insulating Foam Sealant

A unique one part, liquid urethane foam which expands as it dries and solidifies, curing to a durable, semi-rigid, closed foam, insulating sealant.

- Expands 200-300%
- Fills large holes that caulk cannot
- Airtight, water and weather resistant
- Can be used on masonry, wood, metal, glass, tile and most plastics
- Helps eliminate energy escape
- Prevents the entrance of insects and rodents
- Seals against heat or cool air loss
- Dries tack free in 15-30 minutes, completely cures in 8 to 24 hours
- Contains a flame retardant
- Dispenses over 200 linear feet when sprayed in a 3/8 inch cured bead
- Approvals/Standards: UL 723 –ASTM E-84 (12.5%), flame spread 25, smoke developed 50, CCMC 07911, NFPA 30B classification level 1 aerosol
- For use on window frames, door frames, sky lights, HVAC ducts, plumbing, window AC units, spas, hot tubs, boats, RV's, electrical equipment, appliances, refrigeration units, carpentry and masonry

Available size: □ 15 oz. aerosol can

#### HOW IT WORKS

Sealing gap around piping

## BROFIX

### Epoxy Putty Repair Stick

A fast-setting polymer compound that enables permanent repairs to all types of materials such as metal, wood, glass, masonry and plastics. Each handy stick contains premeasured portions of activator and base throughout – no measuring or mixing tools are necessary. As the epoxy is mixed, the two contrasting colours blend into one colour to indicate complete mixing.

- Can be tapped, screwed, drilled, sanded, sawed, filed or painted
- Lap Shear Strength range from 350 to 900 p.s.i.
- Compressive Strength range from 10,000 to 12,000 p.s.i.
- Electrical resistance 30,000 megohms
- Dielectric strength 300 volts/mil.
- Upper Temperature Limit 250°F continuous, 300°F intermittent
- Chemical resistant to hydrocarbons, ketones, alcohols, esters, halocarbons, aqueous salt solutions and dilute acids and bases
- Non-flammable and releases no noxious fumes
- Will not shrink or pull away and unused portion stays fresh for future use when saved in its original package
- Contains no solvents or VOC's

Available size: □ 4 oz. tube

#### HOW IT WORKS

Stop leaks on cast iron pipes

#### HOW IT WORKS

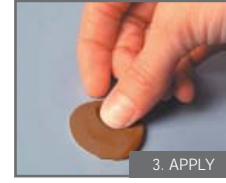

1. CUT

1. Cut or twist off required amount.

2. MIX

2. Mix by kneading with fingers to a uniform color. If mixing is difficult, warm epoxy to room temperature or slightly above.

3. APPLY

3. Apply to surface to be repaired (within two minutes of mixing). Force into any cracks or holes and strike off excess material, preferable with a tool wet with clean water.

When applying to a damp, wet or slowly leaking area, work the material forcefully into the surface and apply pressure until adhesion begins to take effect. For Best Results: Use damp fingers for easier mixing and application. Remove excess material before hardening begins.

#### AVAILABLE FORMULAS

Steel

Copper

Aluminium

## ODOUR CONTROL

### AUTOMATED-WASHROOM / OFFICE

## AUTOMIST

### Air Freshener & Deodorizer

Odour neutralizer and air freshener for use in a portable metered dispenser.

- 3000 sprays per can
- 1 can lasts approximately 30 days
- The fine, dry mist is nonstaining
- Fragrance stays suspended in air long after the odour has been destroyed, creating a pleasant atmosphere
- Excellent for use in washrooms, hotel rooms, restaurants, offices, nursing homes, hospitals, veterinary clinics, doctors and dentists offices
- **Available fragrance:** Orange Cream

Available size: □ 6.5 oz. aerosol can

AutoMist dispenser

AutoMist dispenser (opened)

**VAJAIR**

**Continuous Odour Control System**

The Vajair odour control system provides up to 60 days fragrance in a completely environmentally friendly manner, operating without the use of batteries or harmful propellants. A choice of high quality recyclable fragrance refills are available with locking dispensers available in white finish.

**Available fragrances :** Lemon/Lime Soda, Citrus Blend, Clean Linen, Cherry, Cool Mint, Summer Rain, Vanilla Spice and Frangrance-free

Available size: □ 1 cartridge

Vajair dispenser

Vajair dispenser (opened)

**AUTOMATED-LARGE INTERIOR SPACE**

**EUROBREEZE**

**Large Space Fragrancing System**

The Eurobreeze fragrance delivery system is unique in its ability to provide continuous and consistent fragrance delivery to large interior spaces, while providing total user control of output and intensity, creating a positive user experience in areas such as gyms, reception areas, garbage rooms and loading docks. One unit will fragrance an area of up to 17,600 cubic feet. The range of Brodi Eurobreeze fragrances are extensive and are created from natural essential oils derived from wood, fruit, spices, flowers, etc.

- No solution or product being sprayed into air
- Choice of number of refills per year; 8, 12, 16 or 24 hour operation; start time and days of operation (5, 6 or 7)
- **Available fragrances:** Azure, Enchantment, Forest Glade, Toujours, Carnival, Citrus and Passion

Available size: □ 1 ceramic block

Eurobreeze dispenser

Eurobreeze dispenser (opened)

**AUTOMATED-GARBAGE COMPACTOR / CHUTE**

**GARBINATOR**

**Garbage Area Degreaser & Deodorizer**

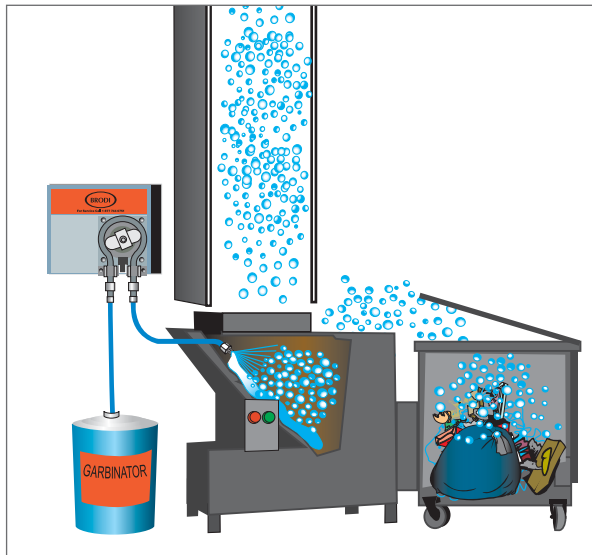

An industrial strength solution for controlling foul odours in garbage compactors, chutes and bins. Garbinator dissolves odours at their source.

- Fully programmable – can be programmed to spray in conjunction with peak garbage chute usage
- Sprayed directly into compactor treating the garbage sludge buildup at the source
- Prevents the buildup of organic matter and debris
- Ensures constant pleasant fragrance in garbage areas
- Eliminates the cause of odours without masking them
- For use in office buildings, apartment and condo residences, industrial complexes, Hospitals, nursing homes and government works departments

Available sizes: □ 32 oz. spray bottle  
□ 4 liters jug □ 25 liters pails

HOW IT WORKS

**BRODI AUTOMATED INJECTION SYSTEM**

For use on automated garbage area degreaser and deodorizer system

**AEROSOL**

**BIG SHOT**

**One Blast Air Freshener & Deodorizer**

Glycolized air freshener and deodorizer that is dispersed in a fine mist which it remains suspended and floats throughout the air to deodorize large areas.

- Covers a very large area with one blast
- Fast-acting, quickly forms a very fine misting action to remain suspended for a longer period of time
- Eliminates stale musty odors and replaces them with a pleasant fragrance
- For use in restaurants, hospitals, hotel rooms and common areas, bathrooms, health clubs, offices, bowling alleys and vehicles
- **Available fragrances:** Orange and Apple

Available size: □ 11.9 oz. aerosol can

HOW IT WORKS

### FRESHMIST Air Freshener & Fabric Deodorizer

Highly concentrated liquid spray deodorizer for use in washrooms, pet beds, litter boxes, garbage cans, closets, lockers, air conditioner filters, diaper pails, laundry hampers, and eliminating cooking odours throughout a large area without a messy and wet fallout.

- Odour neutralizer and air freshener eliminates tough tobacco and smoke odours, decay, urine, feces, solvent, gas, vomit, cooking, animal and more
- Quickly deodorizes the entire room from floor to ceiling due to it's fine particle size
- Non-staining formula safe for use on carpet, fabric and upholstery
- Provides super long-lasting fragrance
- For use in hotel and motel rooms, restaurants, hospitals, offices, apartments, recreational centers, schools, nurseries, fitness centers, animal clinics, nursing homes, public buildings, auto interiors, closets, lockers, shoes, garbage receptacles and bathrooms
- **Available fragrance:** Clean Linen

Available size:  10 oz. aerosol can

Bathrooms

Lockers

### PLEASANT Liquid Spray Deodorizer

Freshens the air and neutralizes smoke and other malodors. Sprays in a super fine particle size that disperses fragrance throughout a large area without a messy and wet fallout.

- As an air deodorizer add 2-4 oz's to 1 gallon of cold water and spray lightly into air
- On carpets can be used in hot or cold water extractors and shampoo machines
- Eliminates odours quickly and efficiently
- Reduces incidence of air-borne bacteria
- **Available fragrances:** Green Apple and Citrus Vanilla
- **The Citrus Vanilla fragrance is also available in:** 4 liters jug , 25 liters pail

Available size:  1 liter spray bottle

#### HOW IT WORKS

Closets

Bathrooms

### SEA BREEZ All Surface Refresher

An extra strength formula which saturates and penetrates deep into the pores of all surfaces such as fabrics and other porous materials eliminating the source of objectional odours.

- Removes odours caused by smoke, pet feces and urine, dampness, mildew and cooking
- For use on clothing, furniture, carpets, drapes and curtains

Available sizes:  
 500 ml bottle  4 liters jug  25 liters pail

Office furniture

### BRODOSORB Deodorizing Absorbant Pellets

- Long lasting
- Counteracts obnoxious odours quickly
- Easy to use
- Non corrosive to metal surfaces
- For use on garbage bins and pails, refuse trucks, garbage dumps, sewage plants, landfill, rendering plants, stables, farms and ashtrays

Available sizes:  
 700 g bottle  4 kg jug  18 kg pail  136 kg drum

#### HOW IT WORKS

Garbage cans

### SPOR Heavy Duty Odour Neutralizer & Deodorizer

A highly concentrated odour neutralizer that instantly eliminates the source of organic odours caused by smoke, urine, garbage and mildew.

- Pleasantly perfumed
- Leaves no residue and non-staining
- For use on garbage bins, garbage chutes, toilets, washrooms, lockers and carpets
- In hospitals and nursing homes use for bed pans, drainage bottles, urinals, potable toilets, and carpets to remove odours

Available sizes:  
 32 oz. spray bottle  4 liters jug  25 liters pail  
 210 liters drum

Garbage bins

## PAINT & GRAFFITI REMOVERS

### NATURAL 100% **Citrus Solvent Degreaser**

A safe, pure concentrated natural citrus solvent for degreasing and cleaning all surfaces.

- 27,000 volt dielectric strength
- Removes and dissolves grease, grime, gum, glue, asphalt, oil and tar without harsh toxic fumes
- Heavy flushing action instantly begins working to penetrate, loosen and lift soils away
- Parts can be left to air-dry with negligible residue or can be rinsed clean with water
- Contains pure natural citrus terpene oil
- Pleasant citrus scent allows for safe and easy use
- Biodegradable and non-chlorinated
- For use on metal parts, tools, motors, HVAC and electrical equipment, road and farm equipment, concrete, industrial equipment and engines

**Available sizes:**  
 20 oz. aerosol can     18.9 liters pail

#### HOW IT WORKS

Cleaning grease and grime off concrete floor

Decal removal from locker

### V WIPES - GRAFFITI **Pen, Puck & Paint Wipes**

Used for fast, easy clean-up of paint from non-porous surfaces. These amazing wipes are premoistened with an incredible cleaning formula that removes paints (including enamel), ink and even permanent marker. A few swipes with a single wipe quickly dissolves away unwanted paint and graffiti. Does not contain amyl acetate or methylene chloride, unlike other graffiti removers, making these towels less hazardous for users as well as surfaces.

Use them on various surfaces including bathroom partitions, aluminum siding, desks, phone booths, road signs, wall tile, lamp posts, stainless steel, trains, bus stops and seats, billboards and lockers

- Effective against paint, ink, enamel and permanent marker
- Non-toxic when compared with other paint and graffiti removers
- Environmentally safe and biodegradable formula
- Abrasive yet non-scratching fabric aids in cleaning
- Towels stay moist for greater usage and longersheflife

**Available size:**  40 wipes per tub

Graffiti

### STRIPPO **Paint & Varnish Stripper**

A powerful clinging gel that quickly blisters lacquers, enamels, shellacs and acrylic coatings.

- Removes paint from porous and non-porous surfaces such as metal, plaster, concrete, brick, stone, masonry, glass and ceramics
- Quick blistering action, works in minutes
- Blistered paint can be scraped off or flushed away with water
- For use on decal and super graffiti removal, signs, antiques, meters, pumps, wood and metal furniture refinishing

**Available sizes:**  
 18 oz. aerosol can     18.9 liters pail

#### HOW IT WORKS

StripPO sprayed onto painted surface

Blistered paint is easily scraped off in seconds!!!!

### MARKSOFF **Vandalism & Graffiti Remover**

A thick powerful gel that provides extended contact time by clinging to vertical surfaces and dissolving vandalism marks quickly

- Removes spray paint, lipstick, tar, pen, ink, markers, crayon and adhesives
- Effective on porous and non-porous surfaces
- Safe on block, concrete, stone, tile, metal, baked enamel, oil-based and most painted surfaces
- Water flushable
- For use on walls, doors, signs, mirrors, tiles, fiberglass, porcelain, formica, vinyl seating, restroom dividers, concrete, brick, stone and stucco

**Available size:**  20 oz. aerosol can

#### HOW IT WORKS

Spray paint graffiti removed from open porous concrete surface

### MARKSOFF GREEN **Environmentally Friendly Vandalism & Graffiti Remover**

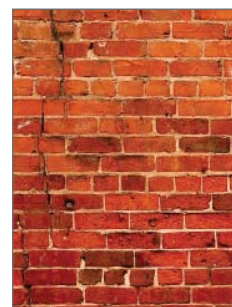

Marksoff Green is a unique development for the removal of paint, ink, permanent marker and other unwanted graffiti from a variety of surfaces. Penetrates and removes graffiti from porous surfaces such as brick, stone and concrete. Unlike traditional graffiti removers, Marksoff Green is environmentally friendly and is much safer for the user. It is specially formulated from naturally derived fatty acid esters, non-ionic surfactants, and other naturally derived ingredients.

- No harmful chemical runoff
- No harmful fumes
- No ozone depleting substances
- Phosphate free
- Contains no abrasives, aggressive biocides, caustic alkalis, harmful chemicals or chlorinated solvents
- No VOC (Volatile Organic Compounds) content
- For use on brick, stone, laminate, plastic, concrete, metal, carpet, white boards and most painted surfaces

**Available sizes:**  
 16 oz. spray bottle     18.9 liters pail

Before

After

## SPECIALTY PAINTS

### 1 COAT

#### High Solids Industrial Coatings

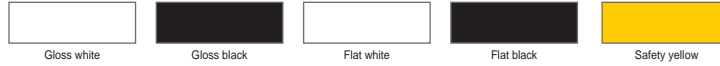

These paints are high solids, low solvent, lead-free, maximum quality and performance formulations. They have single coat hiding power, and save time and money — one 20 ounce size can (16 ounce Net Wt.) covers the equivalent of four "economy brand", low solids, 16 ounce size cans. These paints were tested best in corrosion protection against the competition by an independent laboratory. They have outstanding hardness and durability and resist abrasion and heat.

Drying Time (at 3 phases):

- Set to touch: 10 minutes
- Tack Free: 30 minutes
- Dry to recoat: within 1 hour or after 48 hours

Available size:  16 oz. aerosol can

- Average coverage 2 sq meters (20 sq ft)
- Excellent for most types of wood and metals such as: blowers, benches, machinery, racks, fire doors, sprinkler system, bins, motors, tanks and piping
- Application Temperature 50°F to 90°F (10°C to 30°C). Heat resistance 150°C (300°F)

#### HOW IT WORKS

Parking posts

Piping

### RUSTGO

#### Rust Exterminator

One step rust converter and corrosion neutralizing spray. Chemically neutralizes rust on metal surfaces. Converts rust to a tough, black, long-term protective coating. Prolongs the life of any ferrous metal. Once cured, product can be painted over.

- Tack free - 30 min. Average coverage 1.5 sq meters (15 sq ft)
- Apply at temperatures 20°C to 30°C (70°F to 90°F)
- For use on bottling and packaging equipment, tanks, pipes, valves, fittings, motor housings, metal castings, fences, parking meter ports, guard rails, playground equipment, agricultural equipment and construction equipment

Available size:  11 oz. aerosol can

#### HOW IT WORKS

Rust repairs

Flanges

### TOTAL TRACTION

#### Anti-Slip Textured Epoxy Coating

Hard, textured, one-part epoxy coating that quickly cures to a slip resistant rough grit surface. Aids in the reduction of slip and fall accidents. Unique aerosol contains special synthetic grit with no sharp edges. Available in several colours. One application lasts for months depending on traffic.

- Average dry time 2-3 hours. Apply at temperatures 15°C to 30°C (60°F to 90°F)
- Approx. 25 square feet per can
- For use on stairs, steel ramps, loading docks, ladders, diving boards, running boards, showers, bathtubs and around machinery

Available size:  12 oz. aerosol can

Loading dock ramps

Metal stairs

### FIELD

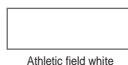

#### Athletic Field Marking Paint

These efficient, inverted tip, water based spray paints produce sharp, durable, stripes in one pass. They are quality markers for use on grass and dirt fields. Non-toxic aerosol spray goes straight downward for complete coverage and is ready for use in 30 minutes. Maintenance free, no messy clean up. Enables quick and easy marking of baseball, football and soccer fields, volleyball, lawn and clay tennis and badminton courts. Performs equally as well on porous surfaces such as gravel, and soil as well as pavement. Each can contains enough paint to apply approximately 300 linear feet of striping.

- Fast drying time – 15 minutes (quicker when temperature exceeds 80°F)
- Approximate coverage 60 to 90 meters (200 to 300 feet)
- Ideal application temperature 5°C to 30°C (40°F to 90°F)
- Heat resistance – 250°F
- For use on baseball fields, volleyball and badminton courts, soccer and football fields, gravel, soil, pavement, lawn and clay tennis courts

Available size:  18 oz. aerosol can

Athletic field white

Marking athletic fields

**PINPOINT**

**Municipal & Utility, Inverted Tip Marking Paint**

These water based spray paints are ideal for utility, construction and survey markings on concrete, asphalt, gravel, grass or dirt. Our special over-cap allows fingertip control and guards against accidental use without removing the color coded cap.

Available size: □ 17oz. aerosol can

- Fast drying time – 15 minutes (quicker when temperature exceeds 80°F)
- For use on golf courses, landscaping, construction sites, athletic fields, mining, excavation sites, gravel, dirt, asphalt and surveyor's marking
- Heat resistance – 250°F

HOW IT WORKS

Survey markings

**TRAFFIC**

**Traffic Stripe Marking Paint**

These efficient, high solids, long lasting, inverted tip spray paints are water based, making the lines traffic ready in 30 minutes. Engineered for quick and easy application on concrete, blacktop and most other surfaces. They eliminate asphalt bleed-through and are ideal for parking lots, playgrounds, driveways and tennis courts. Each can contains enough paint to apply approximately 250 linear feet of striping.

- Fast drying time – 15 minutes (quicker when temperature exceeds 80°F)
- Heat resistance – 250°F

Available size: □ 18 oz. aerosol can

Parking lot lines

**INSECTICIDES & REPELLENTS**

**BUGGO**

**Contact Insecticide for Flying & Crawling Insects**

Buggo is a multi-purpose aerosol space and contact insecticide spray that may be used indoors and outdoors. With an optimized active blend and strength, Buggo will provide instant knockdown of flying insects, and effective control of crawling and garden pests. This water based, easy-to-use spray is a safer tool for bed bug control.

- Rapid knockdown of flying insects – kills bed bugs, crawling insects and garden pests
- Easy and convenient to use – great for spraying into hard to reach places
- Water-based, non-oily and non-staining
- Broad-spectrum insecticide – Low environmental impact
- Kills and controls flies, mosquitoes, wasps, gnats, flying moths, cockroaches, spiders, crickets, ants, carpet beetles, centipedes and silverfish

Available size: □ 12.4 oz. aerosol can

Flies

**AUTOMIST BUGGO**

**Metered Flying Insect Killer**

Automist Buggo is an effective and safe knockdown insecticide spray that provides automatic, 24 hours protection from flying insects. The unique dry spray and maximum active concentration provides superior performance and value with noticeable results within 1 hour. Automist Buggo's universal can size fits in most metered dispensers in the market place.

- Superior knockdown and rapid kill on contact with low environmental impact
- Within 24 hours the area is relatively free of flies, mosquitoes, gnats and small flying moths
- Contains natural insecticide (Pyrethrin) derived from the Chrysanthemum flower
- + 3,000 metered sprays (30 days control at 15 minute dispenser setting)
- Universal can size – Fits most metered dispensers

Available size: □ 3.9 oz. aerosol can

Automist dispenser

Automist dispenser (opened)

**SECCTO**

**Contact & Residual Crawling Insect Killer**

Seccto is an effective aerosol contact and residual insecticide spray that may be used indoors and outdoors. With an optimized active blend and strength, Seccto will provide both instant and long term insect control. This water based, easy-to-use spray may be used as contact or crack and crevice spray for immediate pest infestation, or as a barrier spray for preventive long-term control.

- Easy and convenient to use – Great for spraying into hard to reach places
- Fragrance free, water-based, non-oily and non-staining
- Rapid kill on contact and continued killing action for up to 4 weeks
- Broad-spectrum insecticide – Low environmental impact
- Kills and controls ants, cockroaches, crickets, silverfish, spiders, sow bugs, earwigs, carpet beetles, flies and mosquitoes

Available size: □ 12.4 oz. aerosol can

Cockroaches

**WASP & HORNET KILLER**  
**Pressurized Contact & Residual Insecticide Spray**

Wasp & Hornet Killer is an effective aerosol contact and residual insecticide spray that kills and controls wasps, bees, hornets and yellow jackets. The special spray nozzle, + 15 foot jet spray, and synergized blend of actives ingredients ensures pin point accuracy and superior results when spraying nests. Wasp & Hornet Killer's 35,000 + Volt dielectric strength provides greater safety when spraying around electrical switch boxes and wiring.

- For quicker knockdown of the large threatening nests
- Spray can travel 15 feet to provide applicator safety
- Up to 4 weeks killing action for returning pests
- 35,000 + volts dielectric strength for safety around electrical switch boxes and other equipment's
- Large comfort finger pad and precise spray provides convenience and superior results
- Kills and controls wasps, bees, hornets and yellow jackets

Available size: □ 11.5 oz. aerosol can

Wasps and hornets

**INSECT AWAY**  
**Maximum strength Insect Repellent**

Insectaway provides effective 6 + hours protection against the toughest biting insects. Insectaway is a registered product with Health Canada and contains the maximum allowable level of DEET. This compact packaging and easy to use 360° non-greasy spray provides easier coverage for hard to reach places like ankles, legs and back. Superior knockdown and rapid kill on contact with low environmental impact.

- 6 + hours mosquito protection
- DEET is one of the best methods for avoiding West Nile virus (CDC and Health Canada)
- Soft touch, 360° spray in any direction delivery system
- Built in over cap for safer transport
- Fragrance free, non-oily and non-staining
- Also repels black flies, deer flies, stable flies, biting midges, ticks and chiggers
- Can be apply on both clothing and skin

Available size: □ 3.9 oz. aerosol can

Mosquitoes

**BEAT IT BIRD**  
**Safe & Invisible Bird Repellent**

Beat it Bird is a safe and effective method to reduce bird perching, roosting and nesting. Surfaces with Beat it Bird residue will emit a grape-like odour and continue to deter birds from returning to the area.

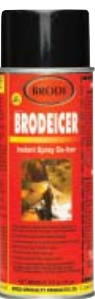

- Effective against pigeons, geese, blackbirds, mallards, starlings, sparrows, gulls and other nuisance birds
- Functions by aversion. Birds are not harmed!
- Extremely economical in comparison to other methods of bird control
- For use on balconies, terraces, window sills, rooftops, ledges, patios, garages, crawl spaces, porches, etc.

Available size: □ 10.5 oz. aerosol can

Pigeons

**WINTER PRODUCTS**

**BRODEICER**  
**Instant Spray De-Icer**

A high pressure spray that quickly dissolves ice, frost and snow from windows and windshields.

- Eliminates scraping and glass damage
- Can be sprayed on in advance to prevent freezing
- Will not gum up or distort vision
- Prevents locks from freezing
- Portable aerosol that is easy to use
- For use on windshields, windows, headlights, tailgates, door locks, hoods, hinges, trunks, freezer compartments, chillers and AC equipment

Available size: □ 11 oz. aerosol can

Deicing frozen locks

**SLIP**  
**Non-Stick Wax Coating**

A special blend of silicone and wax that provides a slick, non-stick coating that prevents ice and snow from sticking to plows, shovels and other snow removal equipment.

- Keeps snow from sticking to snow removal equipment, plows, shovels and blades
- Treated surfaces also become water and rust resistant
- Lessens drag and increase work efficiency
- For use on snow removal equipment, turf maintenance equipment, road equipment, road signs, blades and under decks of grass cutters and mowers

Available size: □ 11 oz. aerosol can

HOW IT WORKS

Stop signs

Snow shovels

**ZEROGO LIQUID**  
**Liquid Ice Melter**

Specially formulated product that penetrates hard packed ice and snow and can be used effectively as an anti-icing agent to prevent the bonding of snow and ice before a snow storm.

- Can be used prior and after a snow event
- Effective on approximately two inches of fresh fallen snow
- Effective in temperatures as low as -47°C
- Ideal alternative to harmful deicing pellets
- A non-staining, biodegradable colouring agent provides a visible marker for areas already treated
- Reduces corrosion of metals and concrete and has minimal effect on the surrounding environment
- Does not contain calcium or sodium chloride
- For use on sidewalks, concrete, plastic driveways, loading docks, rubber, stairs, terrazzo and bridges

**Available sizes:**  
 1 liter bottle    4 liters jug    20 liters pail

**HOW IT WORKS**

Melting ice and preventing ice from sticking to pavement

**FLOOR REPAIR & TREATMENTS**

**FLOOR CLEANERS**

**BRAM**   
**Concrete, Asphalt & Interlocking Brick Floor Cleaner**

A powerful, powdered based cleaner for removing grease and oil stains which have penetrated into porous flooring such as asphalt, concrete and interlocking brick.

- Pre-hosing and agitating with water allows it to seep below the surface to extract grease and oil from deep below that standard degreasers cannot reach
- Safe on all surfaces
- Fast acting
- For use in underground parking garages, driveways and concrete floors in apartment buildings, condos, office buildings, hospitals, nursing homes and industrial facilities

**Available sizes:**  
 4 kg jug    25 kg pail

**HOW IT WORKS**

Wet first

Sprinkle Bram

Agitate with stiff broom

Rinse

**CONCLEAN**  
**Concrete Cleaner & Etcher**

A powerful cleaner designed to remove stains, lime and rust from porous concrete surfaces.

- Removes encrusted concrete from cement slides, tools, forms and moulds
- Excellent etching agent used to prepare concrete for painting and sealing
- Will not harm plastic, metal or fiberglass
- ConClean may be used by the dip, scale or spray methods

**Available sizes:**  
 4 liters jug    25 liters pail    210 liters drum

**HOW IT WORKS**

Poured onto concrete

Foaming

After

**ORGANIC GREEN**   
**Water Soluble, Citrus Based Cleaner & Degreaser**

- For use on floors, walls, general cleaning and degreasing
- Contains no petroleum solvents, alkalis or caustics
- Highly concentrated and highly dilutable
- Non-toxic, no fumes, pleasant citrus fragrance
- Can be used on all metal and most painted surfaces

**Available sizes:**  
 32 oz. spray bottle    4 liters jug    25 liters pail    205 liters drum

**HOW IT WORKS**

Organic Green is poured into and diluted with water in mop bucket

Floor is mopped sparkling clean

**GREENZYME**   
**Floor Cleaner & Degreaser**

Greenzyme Floor Cleaner and Degreaser is the next generation in floor care products. It provides effective immediate cleaning plus the enhanced cleaning and biodegradation action of microbes. The product incorporates a proprietary microbial consortium that provides technologically advanced cleaning by penetrating porous floor surfaces to degrade and eliminate grease and other organic materials that accumulate over time.

- Cleans floors
- Cleans grout
- Reduces slippage by removing grease
- Controls odours
- Environmentally friendly

**Available sizes:**  
 1 liter bottle    4 liters jug    20 liters pail

Cleans grout

**GREENZYME**   
**Concrete & Asphalt Cleaner**

Greenzyme Concrete and Asphalt Cleaner is a proprietary blend of bacterial spores, concentrated biodegradable surfactants and bio-stimulating agents. It is quick acting and effective in removing surface stains resulting from spilled petroleum products on concrete, asphalt, rock and soil.

- Cleans surfaces of oil spills and stains
- Cleans oily equipment, vehicles and tools
- Contains no petroleum distillates or solvents
- Environmentally friendly

**Available sizes:**  
 1 liter bottle    4 liters jug    20 liters pail

Before

After

**FLOOR REPAIRS**

**BROSET**   
**Fast Setting Concrete Floor Repair**

A one-component magnesium phosphate-based patching and repair mortar.

- Permanent repair, stronger than normal concrete, easy setup just add water
- Sets in approximately 15 minutes and takes rubber tire traffic in 45 minutes
- Works below freezing
- One 44 lb unit will cover 36 sq. ft. at 1/8" thick
- Compression strengths:  
 1 hour-2,000 p.s.i.      3 hours-5,000 p.s.i.  
 1 day-6,000 p.s.i.      28 days-8,500 p.s.i.
- For use on heavy duty industrial floor repair, bridge deck and highway overlays, anchoring iron or steel bridge and balcony railings, commercial freezer rooms, truck docks, parking decks and ramps and airport runway-light installations

**Available sizes:**    15 lbs. pail    44 lbs. pail

HOW IT WORKS

Concrete floor repairs

**EPOXPATCH**   
**100% Solids Epoxy Floor & Crack Repair**

EpoxyPatch is an easy to use three component (parts A, B and C), 100 % solids epoxy patch kit. Repair and patch hairline cracks, relief joints, small divots, concrete chips, anchor holes, small pits and epoxy delamination. It provides an environmentally friendly, cost effective solution for repairing concrete floors in commercial, institutional and industrial applications.

- Environmentally friendly
- Virtually no odour
- Superior durability
- Oil, gas and chemical resistant
- **Available in:** white, black, light grey, taupe, sandstone, beige, safety yellow, tile red, green, blue, clear and grey colours

**Available sizes:**  
 1 liter kit    2 liters kit

HOW IT WORKS

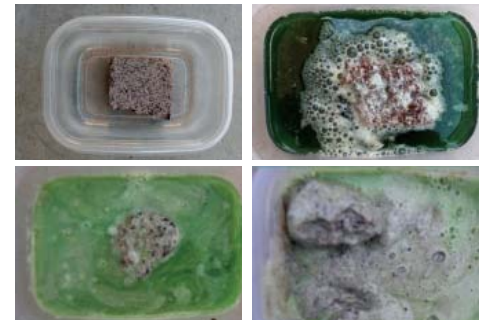

**CON D SOLV**  
**Organic Concrete De-Bonding Agent**

ConDsolv is an organic concrete de-bonding agent that reverses the molecular bonding action of cement and turns it back into a loose mix of sand and aggregate that is easily rinsed away. The highly concentrated formulation is used to remove cured cement, mortar, grout and stucco from any surface. ConDsolv removes concrete on ready-mix trucks and other vehicle types, molds, mixers, tools, etc., without high labour costs and damaging hammer-and-chisel work. It may also be used for etching concrete floors in preparation for concrete sealers and epoxy coatings.

- No corrosive fumes
- Odorless
- 100 % biodegradable
- Safe to use on painted, aluminum and steel surfaces

**Available sizes:**  
 32 oz. spray bottle    18.9 liters pail

HOW IT WORKS

**FLOOR COATING**

**EPOXYCOAT**   
**Hi Gloss 100% Solids Epoxy Coating**

Epoxycoat is a two component (Parts A and B) 100% solids epoxy floor coating containing high performance epoxy resins designed to provide superior functional and decorative properties. Epoxycoat delivers an environmentally friendly, cost effective solution and superior protection for concrete floors in commercial, institutional and industrial applications. It is available in two drying times: regular dry (20 to 24 hours) and super-fast dry (7 to 8 hours).

- Environmentally friendly
- Virtually no odour
- Porcelain like high gloss finish – Enhances lighting
- Superior durability
- Oil, gas and chemical resistant
- **Regular dry available in:** white, black, light grey, taupe, sandstone, beige, safety yellow, tile red, green, blue, clear and grey colours
- **Super-fast dry available in:** black, light grey, sandstone and grey colours
- **Anti-slip finishes available in:** fine, medium and course textures

**Available sizes:**  
 2 liters kit    4 liters kit    16 liters kit

HOW IT WORKS

## HOUSEKEEPING

### CARPET CLEANERS

#### CARPET CLEAN FOAMER Water Based Stain Remover

A hard working foam that instantly deodorizes and dissolves embedded grime and organic matters ground into carpets. Then bio-enzymatic activity breaks down the organic residue eliminating stains and odours at the source.

- Excellent for fabric and upholstery in high traffic areas as it reduces out of service time
- Leaves the area treated with a clean, fresh aroma
- Safe and easy to use
- Non-hazardous, non-toxic and non-polluting

Available size: □ 18 oz. aerosol can

HOW IT WORKS

#### CARPET CLEAN SOLVENT Solvent Based Heavy Oil & Grease Stain Remover

A fast acting, flush action solvent which quickly dissolves, loosens and flushes away heavy grease accumulations.

- A dry cleaning spray in a can for carpets and upholstery
- Evaporates quickly
- Powerful flush action valve
- Dries residue and ring free

Available size: □ 15 oz. aerosol can

HOW IT WORKS

#### CARPET CLEAN SPOT SHOT Water Based Light Oil Stain Remover

A unique inverted spray aerosol spotter that removes water and oil based spots and stains from carpet and upholstery.

- Just shoot at spots or stains and watch them disappear
- Eliminates the need for rubbing and scrubbing
- Leaves no visible residue
- Will not harm carpet backing or upholstery foam
- Neutralizes odours caused by stains
- Excellent pre-spotter prior to carpet extraction
- Removes stains such as coffee, tea, urine, soft drinks, ketchup, mustard, cosmetics, blood, oil, grease, mud, alcoholic beverages, chocolate, pet stains or any organic soils

Available size: □ 14 oz. aerosol can

HOW IT WORKS

#### GUM-OFF Chewing Gum & Candle Wax Remover

Instant freeze spray embrittles chewing gum and candle wax for easy removal.

- Leaves no residue ring or stain on the surface
- Does not soften floor tile or carpet backing
- Will not discolour carpet fibre
- Can be used safely under seating and tables, carpets, tile, terrazzo, marble, concrete, linoleum and wood

Available size: □ 6 oz. aerosol can

HOW IT WORKS

Spray stuck-on gum on carpet

Frozen gum is easily pried off carpet

### DISINFECTANT CLEANERS

#### V WIPES-DISINFECTANT Full Spectrum Disinfectant Wipes

This all-purpose non-acid cleaner and disinfecting wipe is tailored for anti-bacterial cleaning of virtually any hard surface. Pre-moistened with a bleach-free, alcohol-free and non-staining formula, the disinfectant wipes are formulated to disinfect hard non-porous, inanimate surfaces such as floors, walls, metal surfaces, stainless steel surfaces, porcelain, glazed ceramic tile, plastic surfaces, bathrooms, shower stalls, bathtubs and cabinets.

- Effective against methicillin resistant staphylococcus aureus (MRSA), vancomycin intermediate resistant staphylococcus aureus (VIRSA), human immunodeficiency virus type 1 (HIV-1), vancomycin resistant enterococcus (VRE), salmonella choleraesuis, pseudomonas aeruginosa, mycobacterium bovis BCG (tuberculosis), feline calicivirus, norovirus (Norwalk virus) and escherichia coli
- Bleach-free
- Alcohol-free
- Convenient antibacterial formula
- Wall mounted dispenser available

Available size: □ 180 wipes per tub

Wall mounted dispenser

**DETCO**   
**Cleaner & Disinfectant Scented**

A scented cleaner, disinfectant and deodorizer which produces a clear, sparkling yellow solution that brings a delightful lingering fragrance of fresh lemons to your cleaning duties.

- Disinfects against salmonella choleraesuis, staphylococcus aureus and pseudomonas aeruginosa
- Fungicidal against the pathogenic-fungi trichophyton mentagrophytes

**Available sizes:**

- 32 oz. bottle    4 liters jug    25 liters pail    204 liters drum

- Uses:
  - General cleaning: sick rooms, nurseries, restaurants and hotels
  - General disinfecting: showers, bathroom, garbage and diaper pails, floors, animal quarters, nurseries, kitchens, locker rooms and laundries
  - Deodorizing: provides excellent deodorizing on damp mopping areas, diapers, work clothes and hospital sick rooms
  - On carpets as an anti-static agent and to control mildew and odour causing moulds

**HOW IT WORKS**

Disinfecting and cleaning kitchen equipments

**DETCO HD UNSCENTED**   
**Cleaner & Disinfectant Unscented**

A disinfectant, cleaner and sanitizer designed for hospital and food processing use where housekeeping will be of prime importance in reducing the hazard of cross infection.

- For use in hospitals, schools, hotels, motels, restaurants and offices
- Excellent for food processing equipment, sick rooms and kitchens
- Leaves area clean and fresh smelling
- Disinfects against staphylococcus aureus, salmonella choleraesuis, pseudomonas aeruginosa PRD-10, and viruses adenovirus type 2, herpes simplex, influenza A2 (Hong Kong) virus and vaccinia virus
- Fungicidal against the pathogenic-fungi

**Available sizes:**

- 32 oz. bottle    4 liters jug    25 liters pail    204 liters drum

**HOW IT WORKS**

Disinfecting and cleaning floors

**DETSAN**   
**Sanitizer & Disinfectant**

A germicidal, fungicidal, staphylocidal, pseudomonacidal, tuberculocidal, virucidal and deodorizer which prevents mold and mildew on hard non-porous surfaces.

- Disinfects and deodorizes surfaces through effective bactericidal and fungicidal activity
- Kills most staph and strep organisms, pseudomonas aeruginosa PRD-10, staphylococcus aureus, salmonella choleraesuis, trichophyton interdigitale (athletes foot fungus) on all hard surfaces
- For hospital use on walls, floors, bed frames, bedpans, urinals, furniture, fixtures, containers, toilet seats, diaper pails, examining tables, telephones and similar bedside equipment not easily subject to normal disinfecting procedures
- For household use:
  - Kitchen sinks: drainboards, cabinets, stoves and refrigerators, empty garbage cans and under sinks
  - Bathroom bathtub: wash basins, toilet seats, empty hampers, tiled walls and controls bathroom odours
  - General use: telephone, pet animal areas, diaper pails and nursery rooms

**Available sizes:**

- 32 oz. bottle    4 liters jug    25 liters pail    204 liters drum

**HOW IT WORKS**

Disinfection and cleaning sinks

**DISINFECTAFOAM**   
**Foaming Multi-Purpose Disinfectant Cleaner**

A quaternary ammonia based foam that disinfects and deodorizes as it cleans.

- Cleans away and controls mold, fungus and mildew growth
- Kills the following organisms on hard non-porous surfaces: staphylococcus aereus, salmonella choleraesuis, pseudomonas aeruginosa, herpes simplex (type 1 and 2)
- May be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection
- For use on counter tops, table tops, plastic surfaces, sinks, bathtubs, shower stalls, grouting tiles, wash basins, formica, exhaust fans, stainless steel, finished woodwork, glazed porcelain, enameled surfaces, leather, leatherette, vinyl and plastic

**Available size:**  19 oz. aerosol can

**HOW IT WORKS**

Hospital equipment

**HOSPISEPTIC**   
**Evaporating Surface Disinfectant & Deodorant**

An effective surface disinfectant and deodorant for most gram-positive and gram-negative environmental bacteria which destroys odour-causing bacteria on environmental surfaces leaves no residue ring or stain on the surface

- Phenolic based disinfectant
- Safe on almost any surface
- Useful in air as a space spray
- Kills HIV-1, staphylococcus aereus, salmonella choleraesuis, pseudomonas aeruginosa, herpes simplex (type 1 and 2), escherichia Coli, trichophyton interdigitale, mycobacterium tuberculosis and influenza A2 virus (Hong Kong)
- For use on dressing carts, hampers, linen carts, wheel chairs, metal beds and springs, toilet seats, telephones, light switches, wash basins, urinals and door knobs

**Available size:**  15 oz. aerosol can

**HOW IT WORKS**

Disinfecting door knobs

**GENERAL CLEANERS**

**KREEMO**   
**Non-Abrasive Cream Cleanser**

A powerful deep cleaning cream for use on all surfaces not harmed by water especially on stainless steel, porcelain, copper and brass.

- Quickly and easily removes soil, stubborn stains, grease, soap scum, heel and scuff marks from a variety of surfaces leaving them smooth and clean with a lustrous new look
- Contains no alkalies or acids or abrasives
- Pleasant fresh odour
- Ideal for cleaning, brightening and polishing the following: sinks, wash basins, bathtubs, shower stalls, chrome, copper, brass, stainless steel, porcelain, enamel vitreous ware, ceramic tiles, swimming pools, pot and pans, white walls and tires

Available size:  1 liter bottle

HOW IT WORKS

Bathtubs

Porcelain sinks

Stainless steel sinks

**MAGIC SPONGE CLEANER PAD**  
**All Purpose Cleaning Pad**

A unique cleaning pad made from airinfused plastic which allows it to clean tough stains on any hard surface using water only.

- 3-ply construction with a yellow durability strip designed to improve performance and prolong use
- Contains no chemicals
- Especially effective on permanent marker, crayon, ink, graffiti, lipstick, scuff marks, fingerprints, luggage marks, soap scum, tea, coffee and wine stains
- Shines chrome, brass, copper and stainless steel
- For use on walls, wallpaper, doors, floorboards, tile, wood flooring, countertops, work surfaces, lockers, signs, dry-erase boards, photocopy machines, vinyl glass, plastic trim, leather, hard furniture, outdoor furniture, shower doors, car wheels, stainless cookware, computer monitors and hardware, church pews and sneakers

Available size:  1 pad

HOW IT WORKS

Cleaning scuff marks off ceramic tile

**STAINGLO**   
**Stainless Steel Cleaner & Protector Polish**

A superb oil based formula that cleans, shines and restores original luster to all metal surfaces.

- Leaves behind a fresh fragrance and protective coating that resists finger marking and re-soiling
- Contains 100% food grade ingredients
- Formulated with concern for the environment and human health
- Effective on stainless steel, aluminum, silver, brass, copper, mild steel and chrome
- For use on upright refrigerators and freezers, ovens and stoves, grills, hoods, dishwashers, coffee pots and urns, washroom receptacles, kickplates, trash cans, towel holders, drinking fountains, railings, mixing tanks, elevator doors and escalators and grocery checkouts

Available size:  14 oz. aerosol can

Food and kitchen equipments

Elevators

**GLASS CLEANERS**

**BRITE**  
**Foaming Glass Cleaner**

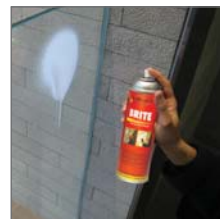

A light foaming, streak-free, fresh fragrance cleaner which can be used on glass and many other surfaces.

- Will not haze or smear
- Instantly cuts through grease, dirt and grime to leave windows sparkling clean
- When used on other surfaces the concentrated formula wipes off easily leaving no residue or film
- Cleaning Glass Doors
- Removes nicotine and insect residue from automotive windshields and windows
- Safe on window tinting film
- For use on automobiles, aircraft, marine, windows, mirrors, plastics, showcases, table tops, glass fixtures and acrylics

Available size:  16 oz. aerosol can

HOW IT WORKS

Spraying glass

Wiping off foam

**SKOLLX**  
**Glass & Plastic Protective Coating**

A clear, invisible, anti-fog, anti-static cleaner and coating that repels dirt, dust, chemicals, finger smudges and scratches. For use on mirrors, doors, windows, shields, goggles, sneeze shields, freezer doors and display cases. Also effective on glass, chrome, formica, fiberglass and marble.

- Anti-fog
- Anti-static
- Reduces wear and scratching
- Improves illumination and visual clarity

Available size:  14 oz. aerosol can

Windows

Goggles

Mirrors

**SPECIALTY CLEANERS**

**OGO**  
**Foaming Citrus Oven & Grill**

A simple, safe one step solution to removing baked on grease, grime and carbonized food from ovens, grills, barbecues and hoods.

- Sprays as a heavy foam that clings to vertical surfaces and extends cleaning time
- Powerful cleaning agents quickly dissolve and break the bond of baked-on, carbonized soil
- Cleans without scrubbing, scraping or scouring
- Pleasant citrus aroma helps eliminate harsh chemical fumes
- For use on: stoves, ovens, grills, racks, fryers and exhaust fans

Available size:  18 oz. aerosol can

### ZOK Dust Mop Treatment

A pleasantly scented oil based treatment that acts like a magnet to attract dust and lint into brooms, mops and cloths.

- Eliminates the annoyance of flying dust, resettling or inhalation
- Prevents scattering and helps, cloths, brooms and mitts hold more dust
- Converts dust into heavy lint
- Saturated mops can be shaken out or machine washed for easy cleaning and quick re-use
- Helps brighten and protects surfaces as you dust
- Formulated with concern for the environment and human health
- For use on tile, linoleum, marble, furniture, terrazzo and wood flooring, window frames and sills, countertops, venetian blinds and gymnasium floors

Available size: □ 14 oz. aerosol can

HOW IT WORKS

Spraying broom to make dust stick like a magnet

## WASHROOM CLEANERS

### ZYME IT Enzyme Foam Cleaner for all Bathroom Surfaces

One product which cleans and deodorizes all bathroom surfaces and eliminates conflicting odours caused by using multiple products.

- Unique bio-enzyme action provides continuous cleaning of plumbing after rinsing down pipes and drain lines keeping them free flowing
- Gentle enough to leave mirrors sparkling clean
- Safe on all surfaces
- Liquefies and removes urine salts
- Removes dirt, dust, grease and grime
- For use on tile under urinals, toilets, wall tiles, stall doors, air dryers, towel dispensers, mirrors, fixtures, sinks and counter tops, trash receptacles, doors and frames, curtain rods and rings, shower curtains and doors, shower heads, faucets and fixtures, bathtubs, dividers, push plates, kick plates and floor tiles.

Available size: □ 18 oz. aerosol can

HOW IT WORKS

For cleaning around urinals

For cleaning around sinks

For cleaning around toilets

### SAFDSCALE Non-Corrosive Cleaner Descaler

A powerful yet completely safe non-corrosive, non-acid, all purpose cleaner for removal of stubborn water scale, soap scum, rust stains, grease, mildew and mold

- As with most products that remove scale there exists corrosive vapours, however SafDScale has absolutely no harsh fumes making it safe as well as biodegradable
- Clinging action allows for a longer dwell time
- Cleans washroom tiles, brass, stainless steel, terrazzo, shower stalls, grout, aluminum, copper, concrete and brick
- For use on pool decks, swimming pools, washrooms, saunas, and hot tubs

Available sizes:

□ 1 liter bottle □ 4 liters jug □ 25 liters pail

HOW IT WORKS

Cleaning washroom floor tiles

Cleaning grout

### BOLBAC Toilet & Urinal Bowl Cleaner

Deodorizes, disinfects and cleans toilets and urinals.

- For use on porcelain surfaces
- Will remove the toughest rust and hard water stains
- Fast acting

Available size: □ 1 liter bottle

Urinals

Toilets

### GREENZYME Bathroom Cleaner

Greenzyme Bathroom Cleaner is designed to provide exceptional performance over a wide range of cleaning applications. It is formulated to clean hard non-porous, inanimate surfaces such as floors, walls, metal surfaces, stainless steel surfaces, porcelain, glazed ceramic tile, plastic surfaces, shower stalls, bathtubs and cabinets.

- Controls odours
- Fast cleaning action
- Environmentally friendly

Available sizes:

□ 1 liter bottle □ 4 liters jug □ 20 liters pail

Washroom

**CHUCK IT**

**Urinal Screen with (Non-Para) Block**

- Cleans and deodorizes up to 30 days
- Non-para detergent block is 100% biodegradable
- Contains enzymes to reduce bacteria
- Cage designed to be above water level to retard dissolving
- Individually bagged

Available size:  1 screen

Urinals

**CHUCK IT BIOGEL**

**Bacterial Based, Scented Urinal Screen**

- Freshens urinal for 30 days
- 10x more fragrance than the ordinary vinyl urinal screen
- VOC compliant
- Releases optimized bacteria that clean the urinal and eliminate odors
- Recommended by the # 1 manufacturer of waterless urinals – Falcon Waterfree Technologies

**V WIPES - HAND TOWELS Industrial Citrus Wipes**

Designed for use in industrial and manufacturing settings, each towel is premoistened with a powerful cleaning formula capable of cleaning hard-working hands, as well as non-porous surfaces. Each towel is made from an abrasive, yet non-scratching fabric that helps lift away heavy deposits of grime and dirt off hands and surfaces. They also leave behind a fresh citrus scent and are enhanced with natural oils and emollients making them safe for hands and skin.

- Effective against tar, paint, grease, lubricant, wax, adhesives and ink
- Environmentally safe and biodegradable formula
- Abrasive yet non-scratching fabric aids in cleaning
- Towels stay moist for greater usage and longer shelf life

Available size:  72 wipes per tub
